

The number '1000' is rendered in a large, bold, white sans-serif font, centered in the upper half of the page. The background is a solid blue color. Scattered around the number are several US dollar bills, some appearing to be falling or floating. To the right of the number, there is a stack of yellow paper tickets. The tickets are folded and have the word 'TICKET' printed on them in black, along with some identification numbers like '338968' and '338971'.
